**RE:** *In the Matter of Facilitating the Deployment of Text-to-911 and Other Next Generation 911 Applications, PS Docket No. 11-153; Framework for Next Generation 911 Deployment, PS Docket No. 10-255*

Dear Ms. Dortch:

On September 27, 2012, the undersigned and Craig Donaldson, Senior Vice President, Intrado Regulatory and Government Affairs, met with David Goldman, Senior Legal Advisor to Commissioner Rosenworcel. During the meeting, Intrado discussed its filed comments in the above referenced proceedings, including that the comments rebut any claims that text-to-911 is not a reliable method for requesting assistance from public safety answering points (PSAPs).<sup>1</sup>
